Part II: Purpose and Mechanics

HB 409 would create a new section of KRS Chapter 186 to establish a National Rifle Association (NRA) special license plate. The bill would amend KRS 186.162 (effective January 1, 2017) to establish an initial fee and a renewal fee to be paid for issuance of the plate. County clerks would issue both initial and renewal NRA license plates upon application and payment of the fee.

Part III: Fiscal Explanation, Bill Provisions, and Estimated Cost

The fiscal impact of HB 409 on county clerks offices would be nil to minimal.

HB 409 would amend KRS 186.162 to establish an initial fee for the NRA special license plate of \$25 and a renewal fee of \$25. The fees would be paid to the issuing clerk who would retain \$3.00 of each fee for use of the county clerk's office. HB 409 would result in no net increase or decrease in the fees received by county clerks, since the clerk retains the same amount of fees for issuance and renewal of the special plate as it does for a regular license plate.
